Input text có hai loại:

1. Filled text

2. Outlined text

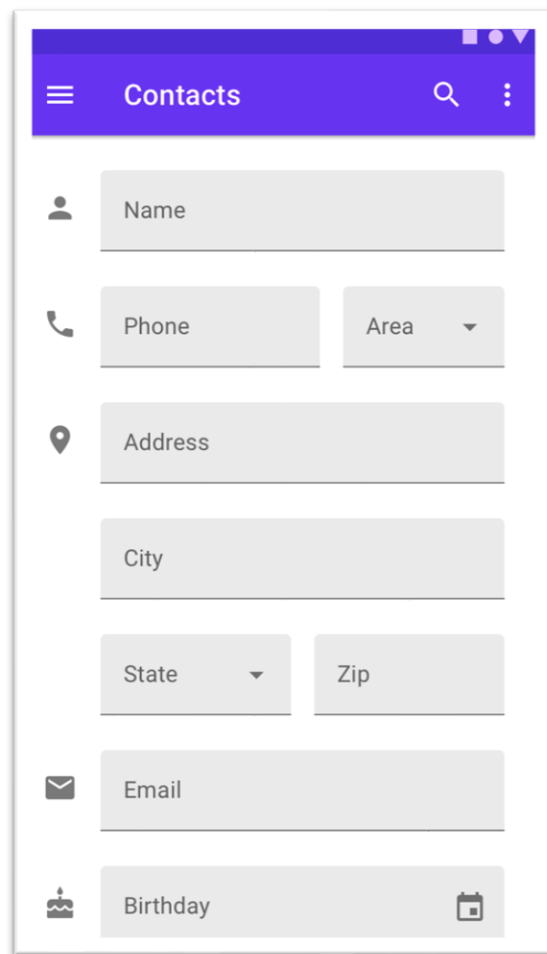

The diagram illustrates two types of text input forms, labeled 1 and 2, within a light gray container.

1. Filled text: This section shows two examples of filled text inputs. The top example consists of a light gray rectangular box with the word "Label" centered inside. The bottom example shows a similar light gray box containing the word "Label" in a smaller, lighter font, followed by the text "Input text" in a standard font. A thin purple horizontal line is positioned directly below the text "Input text".

2. Outlined text: This section shows two examples of outlined text inputs. The top example is a white rectangular box with a thin gray border, containing the word "Label" centered inside. The bottom example shows a white box with a thin purple border. It contains the word "Label" in a smaller, lighter font, followed by the text "Input text" in a standard font. A thin purple horizontal line is positioned directly below the text "Input text".

Form sử dụng cho giao diện di động

A mobile form layout for a 'Contacts' app. The header is a solid purple bar with a white hamburger menu icon, the text 'Contacts', a white magnifying glass icon, and a white three-dot menu icon. The form fields are light gray with rounded corners and are preceded by small gray icons: a person icon for 'Name', a phone icon for 'Phone', a location pin icon for 'Address', an envelope icon for 'Email', and a birthday cake icon for 'Birthday'. The 'Phone' field is split into two parts: 'Phone' and 'Area' with a dropdown arrow. The 'Address' field is split into two parts: 'Address' and 'City'. The 'State' field is a dropdown menu, and the 'Zip' field is a text input. The 'Birthday' field has a calendar icon on the right.

Birthday

A mobile form layout for a 'Contacts' app, identical to the one on the left but without the small gray icons. The header is a solid purple bar with a white hamburger menu icon, the text 'Contacts', a white magnifying glass icon, and a white three-dot menu icon. The form fields are white with rounded corners and have their labels ('Name', 'Phone', 'Area', 'Address', 'City', 'State', 'Zip', 'Email', 'Birthday') directly inside the input boxes. The 'Phone' field is split into two parts: 'Phone' and 'Area' with a dropdown arrow. The 'Address' field is split into two parts: 'Address' and 'City'. The 'State' field is a dropdown menu, and the 'Zip' field is a text input. The 'Birthday' field has a calendar icon on the right.

Form sử dụng cho giao diện di động áp dụng cả 2 loại text field

The image shows a mobile application form for checkout. It features a purple header bar with two sections: 'Location' with a location pin icon and the text 'Blue Cinema', and 'Date' with a calendar icon and the text 'Today. 10/07/18'. Below the header, the section is titled 'Payment'. There are three text input fields: 'Name', 'Credit Card', and 'Expiration date'. Each field has a 'Required' label below it. At the bottom right, there is a purple button labeled 'CHECKOUT'.

Kiểm thử form: thiết kế các thành phần cảnh báo lỗi cho form

The diagram illustrates four components of form validation, each within a light gray rectangular box:

- 1** - Assistive text: A box containing the word "Label". A line connects the number 1 to the text.
- 2** - Error message: A box containing the text "Label" in red and "Wrong Input" in black. A red horizontal line is at the bottom. A line connects the number 2 to this red line.
- 3**: A red circle containing a white exclamation mark, indicating an error. A line connects the number 3 to this icon.
- 4**: A box containing the word "Label". At the bottom right corner, the text "5/20" is displayed. A line connects the number 4 to the "5/20" text.
